

Diagram showing a grid structure with various rectangular blocks and lines. The grid is divided into several sections:

- Top section: A complex grid structure with multiple columns and rows, some cells containing smaller sub-grids.
- Middle section: A large, empty rectangular area.
- Bottom section: A grid structure with several columns and rows, some cells containing smaller sub-grids.

Key features and annotations:

- A thick black diagonal line runs from the top-left towards the bottom-right, crossing through the grid.
- A thick black vertical bar is located on the left side of the grid, spanning several rows.
- A thick black horizontal bar is located in the bottom-left corner of the grid.
- Several thin lines originate from the top-left corner of the grid and extend outwards.
